**TOURIST TAX IN VERONA**

# INFORMATION FOR OUR VISITORS

**A tourist tax was adopted by City Council Decision no. 61 on 12th July 2012, becoming effective on 1st August 2012.**

**Tax purpose**

The tourist tax is intended to finance tourism actions, including support to accommodation facilities, maintenance, accessibility and restoration of cultural heritage and environmental sites. It is also intended to support local public services.

**Who pays this tax**

Non-resident visitors over the age of 14 years, spending one or more nights in local accommodation facilities, have to pay a tourist tax. This one is collected by facility owners/managers, who have to provide receipt of payment to the guests. People omitting the payment will incur sanctions established under the National Law.

**How much is due**

The tax is due per person per night up to a maximum of 5 nights per month, cases of exemption excluded according to the above-mentioned City Council Decision.

**Tax rates (Adopted by decision no. 247 on 18th July 2012)**
